Ⅶ. 听短文填空

I have been to London for two weeks. Once I wanted to know the way to the City Center Square，and I asked a madam on the street. She said it slowly in a clear voice，but I was so nervous that I completely didn't understand her. Then she took out a pen and drew a map on a paper for me. How clever she was! At last，I found the place without any difficulty. Thanks so much for her kindness.
